Some background information

The Wokingham Arts Trail is a co-operative group, headed by a committee formed of unpaid volunteers. The success of the event is dependent on every participant working together.

The Trail had its first event in 2009, when More Arts met with a group of local artists and formed the trail. In 2013 the trail became independent of More Arts and became self-funding.

Aims and Objectives

The intention is for artists to exhibit their work over a weekend (10.30 – 5.30pm) in September in order to show their work, methods and tools to the general public. The aim is to promote and encourage interest in the artistic activities of local people working in the arts and crafts.

Fees

All successful applicants, including guest artists, on becoming full members of WAT, will be required to pay an inclusive fee of £80 as subscription for WAT 2022. This covers the costs of running the website, hiring venues printing the trail flyers and other publicity. Payment must be made by 22nd June; payment details will be emailed to artists following the selection process for new applicants.

Refunds

If you find you are unable to be part of the trail after paying your fee the following refund policy applies:

- Full refund before 22nd June (closing date for fee and website info)
- £40 refundable before 7th July (posters deadline)
- Non-refundable thereafter.

In the unlikely event that the trail is forced to close due to Covid 19 all moneys paid will be carried forward to next year's event, minus a small amount to cover 2022 administration costs.

New artists

If you are new to WAT we ask you to submit an online portfolio of current work clearly labelled will include the brief summary of your work from the application form and images of 4 – 6 pieces of work. It may include a range of your work but should show clearly the medium which you intend to exhibit. Original work is preferred, presented as for exhibition and shown framed if appropriate.

The selection panel will be looking for:

- interesting original work
- good presentation
- a clear definition of the chosen medium or craft to be exhibited on the trail.

Images of work for the selection process should be submitted to info@wokinghamartstrail.co.uk by **Friday 10th June. Please see information below for all artists for details of how to label and submit your images.** All images of work should all be clearly labelled.

Priority will be given to those living or working within Wokingham Borough and we aim to represent a range of artists working in a variety of mediums.

Successful applicants will be informed by Monday 20th June.
